## School News

We are very excited to begin a new school year with lots of opportunities to grow and thrive in our learning with our loving Lord ever present to support and guide us in our journey.

Our School Motto is at the core of everything we do:

### **LIVING, FEELING, DREAMING.**

**Living** our life as Jesus taught us,  
**Feeling** the Gospel Values,  
**Dreaming** of bright futures for us all.

We now have 105 pupils in school with 10 new pupils in our Pre-School. We welcomed 15 children into Pendle (Our Reception Class) all of whom were in our Pre-School. They have settled happily into school life this week and look really smart in their new school uniform. Our Early Years and Key Stage One classes have had a complete transformation and the Pre-school, Pendle and Parlick classes and the shared outdoor area do look such exciting stimulating places to be.

In the first month of the new school year we are celebrating the Season of Creation – a time to renew our relationship with our Creator and all creation through celebration and commitment together. Our theme this year - 'To Hope and Act with Creation', emphasizes that Creation is not an object that has been created for human use but rather a subject that we are called to relate to and collaborate with as fellow creatures. This Creation Celebration is held by the church every year from September 1<sup>st</sup>, World Day of Prayer for the Care of Creation, to October 4<sup>th</sup>, the feast of St Francis of Assisi.

To end the Diocese Centenary Tour of the Statue of Our Lady, we are taking some Year 6 children to Ladyewell to join other schools on 16<sup>th</sup> September for the morning to reflect on and celebrate the Statue Tour.

In RE, we are focusing on the Joys of Creation:

Pendle Class are looking at the beautiful environment that we live in and everything in it.

Parlick Class are looking at how it all began through the story of Creation from the Book of Genesis and how the World is God's gift to us.

Fairsnape Class are also learning about the story of Genesis and what it means to be stewards of Creation.

Beacon Class are learning about the story of Moses and the Ten Commandments. They are finding out more about the importance of virtues and what 'loving Our Neighbour' means for Christians.

We have lots of exciting themes to inspire and encourage children to want to learn and find out more this term.

Pendle class are looking at 'All About Me' . they are looking at stories about families and embracing diversity at the same time.

Parlick class are focusing at our local area and recognising difference between human and physical features in the world in which we live. They are using mapping skills to locate key features and landmarks. In Science they are focusing on plant life and experimenting with growing their own plants.

Fairsnape Classes theme is 'Rock and Roll,' In History they are learning about the Early Ages, starting with the Stone Age. In Science they are studying rocks and Fossils and are will also be creating their own pieces of prehistoric art, .

Beacon Class are looking at aspects of English history including the Vikings rule in Britain. They are researching how the Vikings lived. In Design technology, they are designing and making their own Viking waistcoat ready for a Viking catwalk show,

We welcome two new members of staff to our team: Miss Gifford in Parlick Class and Mr McCaren in Beacon Class

**On Sunday, October 6<sup>th</sup>, at the 10.30 am Mass, we will be holding a Family Mass, celebrating the start of the school new year. We will also be welcoming our new Reception class, We hope you will be able to be there.**

We are so pleased to be part of the community of St Francis, Hill Chapel and look forward to another year of working in close partnership with Our Parish.
